

## **Expressions of Interest Debenture Holder Selection and Review Committee**

Established in October 1955 to support the Western Suburbs District Rugby League Football Club, Wests Ashfield Leagues Club has grown from humble beginnings into one of Sydney's premier clubs.

We are proud supporters of the Wests Tigers and Wests Magpies, along with various other rugby league and sporting teams. Through the ClubGRANTS program and our 33 intra clubs, we actively contribute to a wide range of community organisations and initiatives.

Our membership has grown steadily over the years and is now recognised as one of the most culturally diverse of any Club. With a proud tradition of excellence, we continue to focus on improving and expanding our operations to better serve our members and enhance the range and quality of services we provide.

The founding members of Wests Ashfield Leagues Club subscribed the funds that enabled it to be established and were secured by issuing a limited number of debentures. In accordance with the Club's Constitution, five of the seven Board positions must be held by individuals who hold debentures. There is a maximum of twenty debenture holders at any one time. The remaining two Board positions are reserved for election from the general membership.

The purpose of the Committee which reports to the Board, is to identify and recommend suitable candidates for debenture or Board positions (as directed by the Board), who meet the recruitment criteria set out by the Board. The Committee will meet as often as necessary, typically between March and June each year. Additional meetings may be convened if debenture vacancies arise outside this review period.
