Western Suburbs Leagues Club Debenture

General Members are invited to express interest in acquiring a Western Suburbs Leagues Club Ltd (the Club) Debenture.

The Club was established to foster Rugby League and to provide amenities for members and guests. These continue to have an important part in the Club's purpose. The Club also supports many other sporting clubs and community organisations.

When first established, 20 members subscribed funds that enabled the Club to borrow money to build a clubhouse and commence operating as a licensed club. These funds were secured by a Debenture. Those who subscribed funds became recognised in the Constitution as Debenture Holders.

As Debentures become available, the Board calls for Expressions of Interest from suitably qualified General Members to fill any vacancies. There is a constitutional requirement for five (5) Director positions to be filled by General Members holding a Debenture. Two (2) Board positions are reserved for other members.

This process has, for 70 years, ensured that the Club maintains its objectives while evolving into a major community amenity.

If you feel you have a commitment to the culture and purpose of the Club and expertise in the following areas, or other skills/experience/expertise that could add value to the Club and potentially to the Board, we encourage you to nominate to become a Debenture Holder.

- Financial acumen
- Strategic planning
- Business risk assessment
- Community Engagement/Networks
- Project management (focused on facilities/property development)

Please submit your Expression of Interest in writing to the Chief Executive Officer by close of business, Friday 29 August 2025.

Yours sincerely
